

The Great Trinity Forest and Its Gateway Communities

PRIMARY PARTNERS

- CITY OF DALLAS
- GROUNDWORK U.S.A.
- NATIONAL PARK SERVICE RIVERS AND TRAILS PROGRAM
- U.S. ENVIRONMENTAL PROTECTION AGENCY BROWNFIELDS PROGRAM

Groundwork Dallas is an independent nonprofit organization led by a partnership of government, business, private citizens, and community leaders in Dallas. Groundwork Dallas is an affiliate of the Groundwork USA network. Groundwork USA is a national organization helping improve community environments. Groundwork Dallas will collaborate and work closely with communities, helping them realize their vision for safer, healthier, and cleaner neighborhoods.

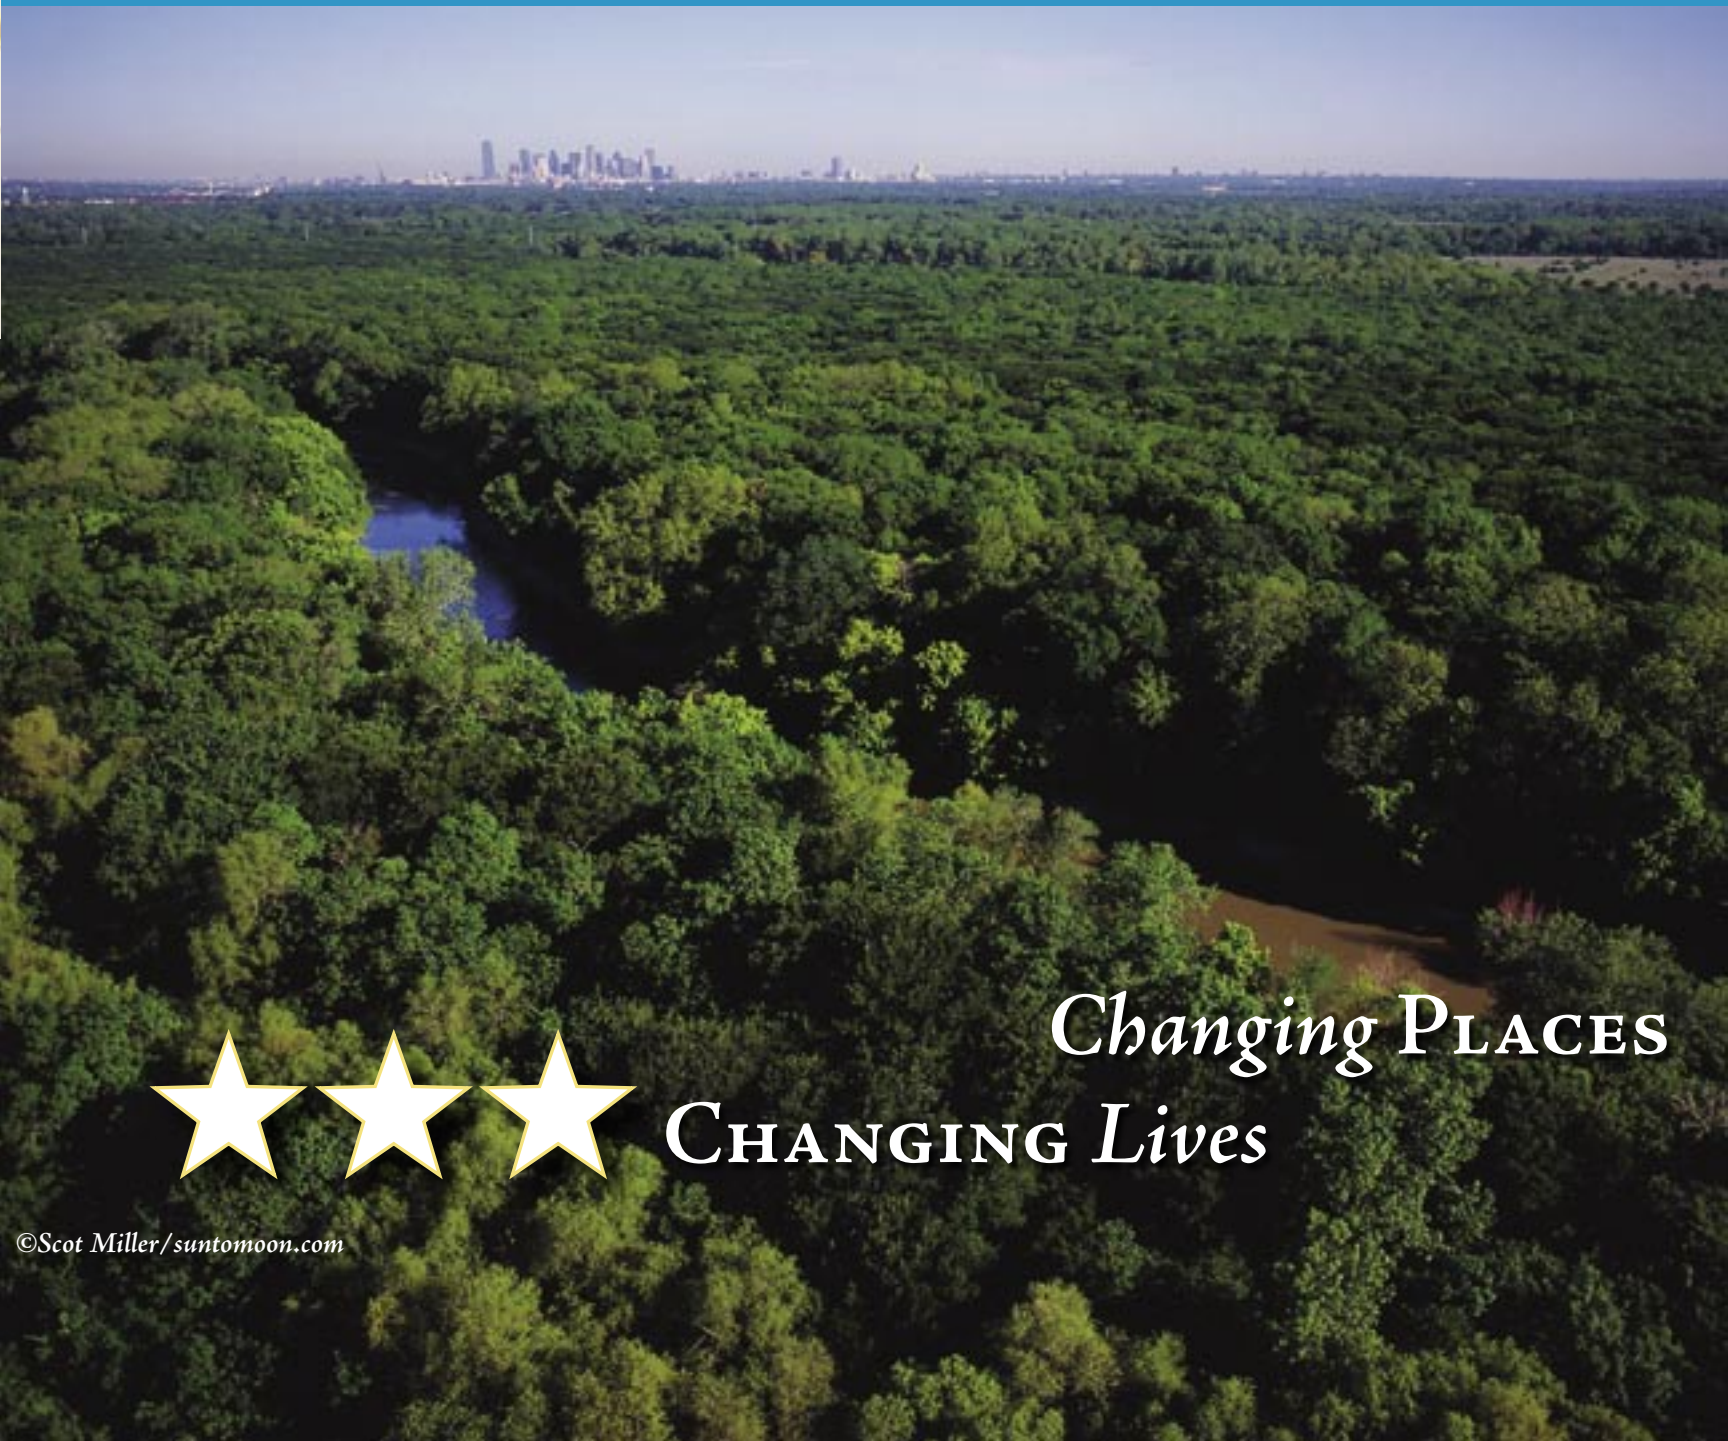

JOIN A GROUNDWORK CAMPAIGN!
 Help make your city healthy, green and livable.
 Get involved in Groundwork
 volunteer efforts and events.
 Adopt a place: a street, neighborhood,
 trail, or park.
 Contribute knowledge, services, or resources.
 Tell us about improvements needed in
 your neighborhood!

Groundwork DALLAS

People working TOGETHER to promote the environmental, economic, and social health of the Southern Sector of DALLAS.

THE MISSION OF GROUNDWORK DALLAS

is to bring about the sustained regeneration, improvement and management of the physical environment by developing community-based partnerships which empower people, businesses and organizations to promote environmental, economic and social well-being. Groundwork Dallas will initially target its work in the Great Trinity Forest and its gateways communities.

☆☆☆ BUILD ☆☆☆

Nature Trails

Providing access to the Great Trinity Forest, the Trinity River, and White Rock Creek.

Parks and Gardens

Designing and building safe, attractive neighborhood places.

Healthy Communities

Encouraging physical activity and economic health through outdoor recreation and ecotourism in the Great Trinity Forest.

☆☆☆ CHANGE ☆☆☆

Public Areas

Revitalizing and beautifying parks, streets, medians, and other public spaces.

Vacant Lots

Converting brownfields and derelict land into community spaces, gardens, and parks.

Attitudes

Encouraging the citizens of Dallas to take responsibility for the environmental health of the forest and its gateway communities.

☆☆☆ EDUCATE ☆☆☆

Schoolchildren

Providing innovative environmental programs for schools and recreation centers.

Young Adults

Providing training and employment in the landscaping, horticulture, and environmental fields.

Communities

Activating people of all ages to work together to improve their city.
